Avon High School  
Avon, Massachusetts

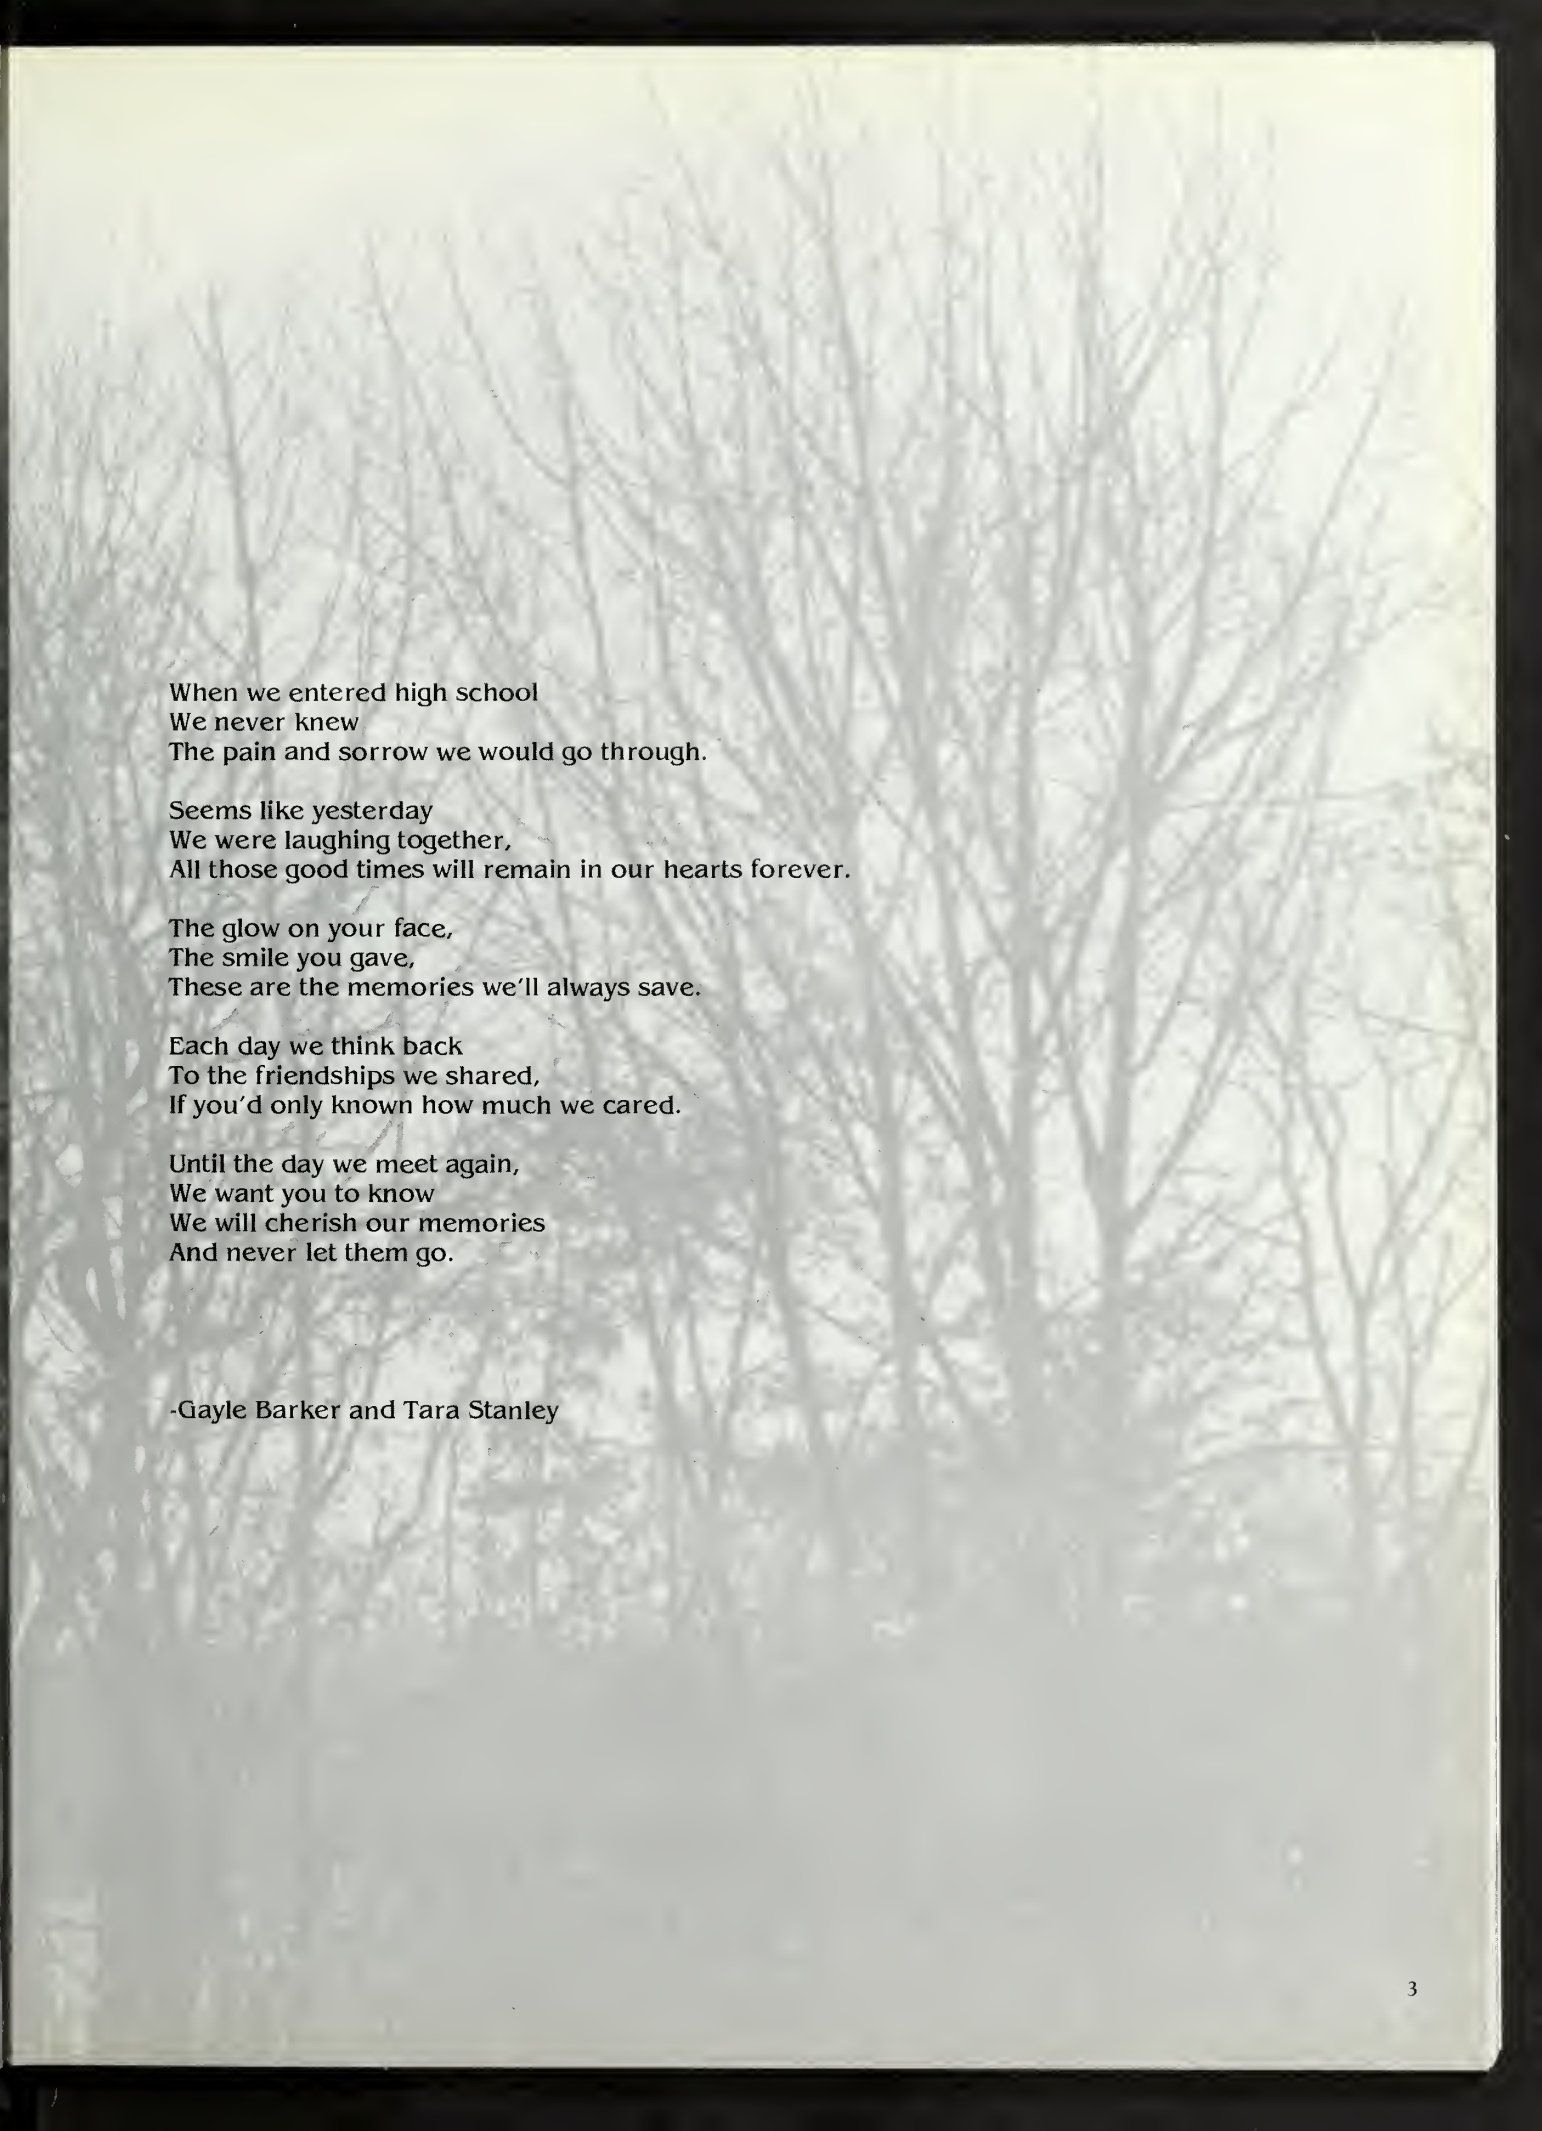

We, The Class Of 1992,  
Dedicate Our Yearbook To

Jessica A. Saulnier

We miss you now, our hearts are sore.  
As time goes by, we miss you more,  
Your loving smile, your gentle face,  
No one can fill your vacant place.

When we entered high school  
We never knew  
The pain and sorrow we would go through.

Seems like yesterday  
We were laughing together,  
All those good times will remain in our hearts forever.

The glow on your face,  
The smile you gave,  
These are the memories we'll always save.

Each day we think back  
To the friendships we shared,  
If you'd only known how much we cared.

Until the day we meet again,  
We want you to know  
We will cherish our memories  
And never let them go.

-Gayle Barker and Tara Stanley

### Superintendent's Message to the Class of 1992:

**A** llure the new, ever increasingly sublime albeit time, a gradient, imposing on some, enhancing others

**V** iewed through eternities, though fraught with lapse, stands the precept of formal inveterate erudition.

**O** ft recall performance past, build on, that depth of purpose is thus provided

**N** owise then, can ignorance prevail but only diminish.

Mr. Harry Levine

The class of 1992 has left its mark on Avon High School and you will be fondly remembered forever. Although the size of your class has waxed and waned, your courage, determination, and integrity have been maintained at the highest levels. You have succeeded where others have failed and your lessons in success should serve you well for many years to come. Please accept my very best wishes for your continued success. You have made all of us and your parents quite proud.

# The Morss Review

We all remember that awful season of winter. The Christmas CAROLES were over. GIFFORD'S feast of roast beef and HERBS that would MILT in your mouth was history, as were Mr. J's cheers to KRISTEN the basketball season for DAPPER DAN's players. No fun anymore to BOB for apples. DONNA and Blitzen had gone back to the North Pole. MARY and Joseph had been taken off the church lawn, CZAIKOWSKI's Nutcracker ballet was gone for another year. Skiers who had left town on the McGRATH and O'BRIEN Highways or the CALLAHAN Tunnel were filling HOWARD Johnson motor lodges up north. The landscape here was black and white, with patches of WINTERGRASS visible through a light snow cover. All you heard in the halls of the school was NASUTI! NASUTI! NASUTI! GAYLE force winds had left everyone with colds or flue, or laryngitis that knocked out any ambitions to be a circus BARKER. No one was with VICKYs or SMITH Brothers cough drops. Mrs. COIT was MANNING the phone every morning. "Is ANDREW coming to school? CONNIE? CONTI? Pour a swig of Four ROSES or MILLER Lite down his HATCH and keep him in bed!" With many teachers absent, others had to LIND a hand wherever they could. And then we had midyears. We had gone through the MILLS with Beowulf, over hill and DALE with Chaucer, and through the STRUGGLES of Eliza with Professor Higgins. It was the time of the year when you wished you could leave it all behind and live the life of Swiss Family ROBISON or ROBINSON, whatever their name was, on a nice island, and Friday became the most important day of the week as we yearned for St. PATRICK's Day and the coming of spring.

One such Friday, Scrooge left school after correcting many midyears, exhausted after reading essays on *Pygmalion* and wanting to do little. So he went home, changed into JEANS, flopped in front of the TV, and began flipping through the channels. DOM-de-DOM-DOM! The Jeffrey Dahmer trial on the news! Jeffrey was testifying. He was one of these "dems and doze" kind of guys. He was being a real cut-up in the court, talking about "dis member of the family and putting DENISE in the refrigerator." Wow! It would put STEPHEN King to shame. You knew his lawyer's FEE wouldn't cost him much: only an arm and a leg. Let's KELLETT. Enough of this. It's casting a PAUL on things.

Click. Next channel. Oops, commercial time. "Buy your WILSON sporting goods at BULLOCK's." Wait a minute, Scrooge, isn't that a store in Los Angeles? Or is it Santa BARBARA? "You deserve a break today at McDONALD's." Or was it WENDY's? Boy, Scrooge is getting sleepy. Or did he take Mrs. COIT's advice too seriously? Oh to be YOUNG again!

Click. Next channel. Oh boy. *Gone With the Wind*. General LEE, CONRADs in arms marching off to war, to stick together FREW thick and thin, battles in VIRGINIA, the firing on Fort SUMPTER, LINCOLN freeing the slaves (Really? Was this a snow day today?), four hours of loves won and lost at TARA by the COY and SHEPLEY Scarlett. Oh, me. I'm getting sleepy. Next week at the same time *Some Like it Hot* with MARILYN Monroe and Anthony QUINN. Frankly, my dear, I don't give a damn.

Click. Next channel. Oh, my. The New Hampshire primary. A political rally! HEALEY-um balloons! Wowee!! Look at that gorgeous blonde reporter flirting with Senator KERRI. Or is it KERREY? Can't you REED. Scrooge? Great SCOTT! It looks like DANIELLE LAURETTO holding that MIKE. MARK my words! Scrooge always said she'd be the Jessica Savitch look-alike. Remember how she and BRIAN MCCARTHY used to do the morning announcements? And there's GERRY Brown, Governor Moonbeam. DANIELLE is trying to HARRY the candidates. "How do you feel about health care, Senator? What are you going to do about the deficit. Governor?" She's really giving them plenty of SASS. I hope she's got on her LONGVALs or Longjohns or whatever they call those things. It's cold up there. They even changed the lyrics to that old song "Paddlin' MARILYN Home" to "Shoveling Evelyn Home." If one of those candidates had mental VIGOR as strong as Aubrey's muscles, we'd have quite a president! That primary is really a LYONS den, and the campaign is really HEATON up. All of them favor LORRAINE tax rates, except for the RICH. They all NEIL down at that altar. In the end, they'll all WALSH on the deal, anyway. They all take too much PHILLIPS Milk of Magnesia. To be FRANK, it'll all be over in November, so what's the point of KAREN much now? Not much point, I suppose. It's late on a Friday night of a busy week. Time to go to bed.

# Fall Sports Review

At the dawn of a new year and the prospect of good things to come, our fall athletes geared up for another season of confrontations. The '91 season was filled with peaks and valleys as the Panthers worked hard in their quest for excellence.

Capt. Czaikowski flexes his muscles.

## VARSITY SOCCER

The Avon High School Boys' Soccer team lead by co-captains Mark Mitchelson and Eric Czaikowski, entered the 1991 season with seven returning starters from the 1990 season. The team started the season slowly, winless in the first three games. However, this did not stop the Panthers from achieving a winning season, the first since 1987. The Panthers tied Division Champs, Westport, in what proved to be one of the most exciting and emotional games of the season. The team went the distance in the last game of the season when Mike Armour scored with under five minutes remaining, defeating Tri-County 1-0, knocking them out of second place. The offense was led and controlled by seniors Richard Heath (4 goals, 7 assists) and Mark Mitchelson (5 goals) with assistance from juniors Brian Nolan, Jim DeAngelis

and impetuous sophomore Chad Williams. Goalie Steve Mallett had an outstanding season in the Avon net while the defensive backfield of Eric Czaikowski, Brian McCarthy, and Erik MacFarlane played superbly all season long. Midfielders Michael Armour and Kevin Smith also contributed to the offensive and defensive effort. Mike contributed with two goals and a few assists while Kevin had many assists in the season. Others who came through were Craig Staffier, Greg Hampton, and Pedro Fontes. Seniors Mark Mitchelson and Eric "Zeek" Czaikowski were selected to the Mayflower League Small School Division All Star team. The team closed out the season with a record of 6 wins, 5 losses, and 4 ties (6-5-4).

## BOYS' CROSS COUNTRY

This years' Boys' Cross-country team was primarily a young team, consisting of 7th and 8th graders and five high school runners. The Panthers ran to a 1-11 record this season under Coach John Lyons and Assistant Coach Richard Gifford. The team was led by M.V.R. and All-Star Chip Heaton who finished in the top three for the year. Following Chip was 8th grader Mike Kameese who also performed well. Despite suffering from injuries Captain Jay Brown also continued to improve during the season, as well as senior Milton Nasiopoulos. At the league meet the junior varsity team ran an outstanding race. Leading the way was Chris Cudmore who finished second overall. The strong team effort by Philip Felix, Andrew and Nathan Smith, Tony Previti, and Sean Anderson was not quite enough as the Panthers missed first place by a few points.

## GIRLS' CROSS COUNTRY

The Girls' Cross Country team had their best season ever, considering they were such a small team. They made their way to a 4-3 record. MVR, All Star, Allison Lauletto led the team as the number one runner. Junior Meghan Johnson ran a strong race every time. Senior Captain Danielle Lauretti placed in the top three and proved to be a team leader. Sophomore Janice Kuzborski was a strong contributor. Juniors Tara Hardiman and Julie Enos, newcomers this year, also ran very well and added to the effort. The Girls finished in fourth place in the final standings.

Dave, Andrew and Nathan go for the finish.

Special thanks to our Fall Sports writers Mark Mitchelson, Brian McCarthy, Richard Heath, Chip Heaton, Danielle Lauretti, Gayle Barker, and Shirley Allioth.

## VARSITY VOLLEYBALL

The 1991 Varsity Volleyball season was an improving year. With such a young team, many of Avon's rivals predicted our downfall. Actually what took place was just the opposite. The overall record for the Lady Panthers was 9 wins and 8 losses. The returning Varsity players were senior Captain Gayle Barker, juniors Damask Hansen and Courtney Clifford, sophomore Danielle Hansen and freshmen Elizabeth Chapman, Meaghan Jensen, Kristy McFarlane and Leah Previti. Newcomers Coleen McKinnon, Christine Lopes, Eliza Rubino, and Christine Cormier also worked to make the season a winning one. Coleen McKinnon and Danielle Hansen both showed excellent progress setting the ball. Gayle Barker and Damask Hansen strongly helped to maintain a winning record with superb spiking and passing. As a team, the Lady Panthers not only learned to play well together, but grew close to each other and formed many new friendships. In the years ahead, the volleyball team will be reaching heights never expected of anyone.

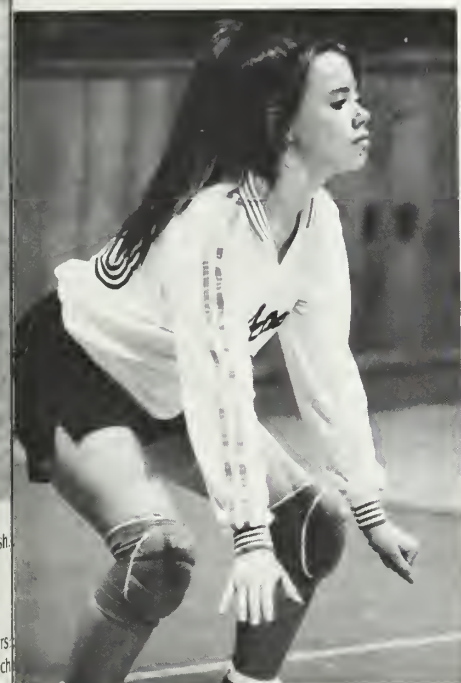

Avon's offensive juggernauts.

## J.V. VOLLEYBALL

This year, Avon had a very new junior varsity team, but under the leadership of Coach Carol Campbell, the lady Panthers managed to win 8 games while losing 7. The overall effort of the team was superb. Top servers for this year were co-captain Keri Skeen, and Melissa Kameese, along with Melissa McDermott and Tami Pechulis. Our top setter was Mary Nilsen. Defense on the court was controlled by Shirley Allioth. The entire team contributed with a terrific effort. Avon did well for an inexperienced team and hopefully will come back next year with a winning season.

Ready for the serve!

## BOYS' VARSITY BASKETBALL

The 1991-92 Boys' Basketball Team was a great success this year. As of February 12, 1992 the Panthers had a league record of 11-2 and an overall record of 12-4. The team clinched at least a share of the League Championship and qualified for State Tournament play with a convincing 88-64 win over Bristol Aggies. Co-Captains Lamont Bullock and Stephen Mallet led the attack. Lamont was on a tear all season long, averaging 32.1 points per game, 14 rebounds, and 8 assists. He was the third leading scorer in all of Eastern Massachusetts and led the league in scoring by more than 125 points. Steve averaged almost 10 points per game and was extremely aggressive on the boards. Six-foot, six-inch junior forward, Greg Hampton, was also a team contributor, averaging 11.7 points per game. Arthur Harris chipped in with his share of points at the small forward position. Playing the point this year were seniors Chip Heaton and Brian McCarthy. Other team members were Erik MacFarlane, Brian Nolan, Jay Brown, Craig Staffier, and Mike Armour. Lamont was selected to the Mayflower League Small School Division All Star team and was the leading vote getter in the league MVP selection. This is Lamont's third consecutive year in receiving this most prestigious award. For the past four years he has been one of the school's best student athletes and is a great all-around person. By the end of the season Lamont will have reached the 1500 point mark. Congratulations and Good Luck, Lamont.

Our MVP takes a break.

## BOYS' JV BASKETBALL

To date the Avon JV Panthers' record is 12-2. This outstanding team record is due to the great coaching ability of Mr. Peter Gill and the hard work of the entire team. High scorers were Kevin Johnson, William Plummer, Mike Armour, and Arley Howard. Julius Hood and David Logan directed the offense from the point position. Arley Howard, James Rakutis, Kevin Johnson, and William Plummer were the main rebounders. William Plummer and Kevin Johnson did very well shooting from the outside. Seventh grader Julius Hood did an excellent job at the starting point guard position. The entire team should be commended for such great effort. We have high expectations for the team next season.

## BOYS' JV2 BASKETBALL

To date the JV2 Panthers' record is 0-8. Despite this record, scoring forwards Mike Kameese, Dave Russell, as well as play-making guards Bret Sullivan and Chris Cudmore, game a strong offensive effort. Although it was a very slow season, the team improved in many aspects; they went out 100% and real-

ly wanted to win. David Russell, James Stanley, Nathan and Andrew Smith, and Mike Kameese contributed defensively. The entire team should be commended for their great effort and hard work at games and practice. Due to the great coaching ability of Mr. Michael Baxter, the JV2 Panthers developed into a respectable, hard-working team. He encouraged the players to work when they were down about losing and offered them praise when they deserved it for hard work.

Mallet takes the rebound.

Some encouraging words from Coach Gill.

#### GIRLS' VARSITY BASKETBALL

The Girls Varsity Basketball team this winter was the returning team from last year, with only 2 newcomers to fill the shoes of the two that were lost. The team was a very young team, more than half being underclassmen. However, the girls fought hard all season. They never gave up hope, and although the season's overall record didn't show in Avon's favor, the girls really pulled through and won seven games. Senior co-captain, All-Star Honorable Mention Danielle Laurito, was the team's strongest offensive player and played a big role in leading the Lady Panthers to several victories. Gayle Barker, All-Star senior co-captain, paced the way for the Panthers. Barker took control of the boards and was listed for several consecutive weeks as one of the top scorers in the Mayflower League Small School Division. Juniors Becki Chapman and Meghan Johnson pulled through for the Lady Panthers and played well on defense. Starting point guard Jace Kuzborski had good team spirit and a fair share of the points. This team played well together and had a lot of fun this season. In future years, the Avon Girls' Basketball team will be on their way to a championship.

#### GIRLS' JV BASKETBALL

The J.V. Lady Panthers had a fairly successful season. They finished with 8 wins and 9 losses. There were eight returning players: Junior Eliza Rubino, sophomores Danielle Hansen and Allison Lauretto, and freshmen Meaghan Jensen, Melissa McDermott, Liz Chapman, Kristy MacFarlane and Melissa Guthrie. This was the first year on the J.V. team for players Amy Robbins, Melissa Fahey, Suzanne Berry, Dina MacBaron, Mandy Doherty, Lisa Menard, and Andrea Robillard. A new coach, Mr. Stephen Blomberg, set the team in the right direction with excellent coaching. The team worked hard and had a positive outlook all through the season, which contributed to their success. The J. V. Lady Panthers are looking forward to a successful season next year.

What's that spell?

Time out ...

#### GIRLS' JV2 BASKETBALL

This year's team was the first ever girls' J.V.2 Lady Panthers. The majority of the team were 7th graders, with one 8th grader, Lisa Erickson. Girls' J.V. 2 won only one game, but the team improved throughout the season, with the help of Coach Paul Anderson. Melissa Kameese played well offensively, scoring an average of 4 points per game. Kristi Murray played great defense along with Melissa Raynard; both of them stole the ball often. Hayley Sturtevant and Vanessa Schwing contributed with numerous rebounds under the basket. Overall, the team demonstrated eagerness to learn and willingness to become better basketball players, looking forward to continued improvement next year.

Special thanks to our writers: Brian McCarthy, Jimmy Stanley, Gayle Barker, Meaghan Jensen, Liz Chapman, Melissa Kameese and Kristi Murray.
